Dear Artists,

We have been overwhelmed by the show of support we have received since Venezuela Aid Live was announced. As many of you know, this benefit concert had only been conceived a couple weeks ago so the that it is happening at all is truly a miracle. Unfortunately, due to financial, logistical and other constraints we are unable to incorporate all the amazing artists that we consider part of our family to attend and/or perform in this particular event. However, our hope is that this will be the first of many benefit concerts that will raise money for the people of Venezuela who are in dire need of humanitarian assistance. We kindly ask for your understanding of the difficult position we are in and look forward to having you attend and perform at future Venezuela Aid Live benefits. In the meantime, we would appreciate your support by promoting the benefit and encouraging your fans to donate to the cause by visiting www.VenezuelaAidLive.com.

Sincerely,
Your Friends at Venezuela Aid Live
